Business & Human Rights

Date: 22 November 2019
Time: 12:00-13:30 hrs
Venue: Eros Hotel, New Delhi

To deepen understanding of the business and human rights agenda from NAP perspective & to inform the NAP consultation process, the session will focus on:

- Understand global context and international experiences on Business and human rights
- Gain a perspective from the Government on their vision for the next round of NAP process
- Deliberate on the manner in which National Human Rights Institutions can play a key role in shaping the agenda
- Understand the manner in which SME's can become central to the business and human rights agenda
