28-30 October, 2020 | Online

Building Sustainable Supply Chains Across Forest- Linked Commodities

Date: 29 October 2020

Time: 1000-1130 hrs

Session Objectives

- © To highlight India's significant role in influencing consumption, production, and trade of forest-linked commodities and the need for deforestation/conversion-free supply chains
- © To deliberate on the collaborative approach required across the value chain to ensure sustainable production, trade, and consumption of forest linked commodities
